The Land Conservancy of New Jersey

We preserve, restore, and care for land and water resources, inspiring and empowering individuals and communities to protect open space.

Why update the Open Space Plan?

The Township's current Open Space Plan (2003) is out of date.

The Plan identifies locally important lands for conservation and protection.

Completing an Open Space Plan yields 10 points towards Sustainable Jersey Certification.

The Township received a grant from the Highlands Council to cover 100% of the cost to update the Open Space Plan.

Green Acres Guidelines

Completing an Open Space Plan opens the opportunity for state grants.

The Township would qualify for Green Acres Planning Incentive Grant funding:

Components of an Open Space and Recreation Plan

Executive Summary

Highlights the community's recreational and ecological amenities and open space successes.

Goals of the Open Space Program

Offers a picture of why the town wants to purchase and preserve land for open space and recreation.

Community Meetings

Engaging the public is a key part of the Open Space Plan.

History of the Open Space Program

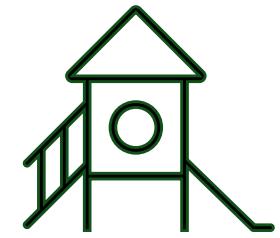

Provides information on the town's Open Space Trust Fund, grants received, and land preserved.

Maps and Planning

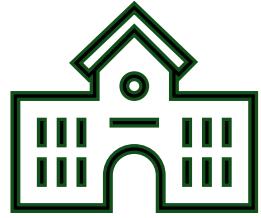

Open Space Inventory

Documents preserved, public, and private land in Sparta Township.

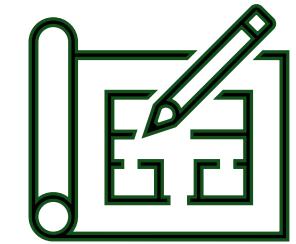

Recreation Resources

Inventories recreational areas and facilities within the municipality.

Historic and Cultural Resources

Provides a picture of locally and regionally important historic sites in the municipality.

Planning Consistency

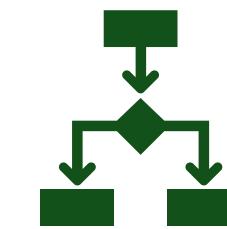

Ensures consistency between the Open Space Plan and the Master Plan.

Recommendations

Preservation Recommendations

Recommends opportunities for preserving additional land and improving existing resources.

Action Plan

Provides a general timeline for meeting Sparta's open space goals.

Open Space Goals

*Our questions, your suggestions
for the 2024 Update*

1

Why do you live in Sparta Township? What makes it so special?

2

What park do you visit the most? Why do you like it so much?

3

Why should Sparta update its Plan? What would you like to see as an outcome of the Plan?

4

What recreation facilities could use an upgrade? What new things would you like to see added to the parks?

5

Where would you like to see land preserved in Sparta? Why?
